Information About Refunds

- Only the Purchaser may request a refund.
- Refund checks are payable to the Purchaser (unless UGMA/UTMA account).
- No more than two refunds in a 12-month period (most recent 12 months—not reset at school year or calendar year).
- Any net earnings or losses accrue until the business day the Plan Manager processes the refund (except 10-year automatic termination refunds).
- Refunds are typically made within 7 to 10 business days after receiving a properly completed and signed Refund Request Form, along with any required documentation.
- See the Plan Description and Master Agreement for details on how refunds are calculated, limitations on refunds, and financial aid and tax treatment.
- If the Texas Match the Promise FoundationSM has awarded your beneficiary a matching scholarship or tuition award, a nonqualified withdrawal can reduce or forfeit that scholarship or award.
- You and your tax advisor should also review IRS Publication 970 and IRS notices related to Section 529. It is your responsibility, for tax purposes, to plan the timing of your refund, and to maintain records that prove any applicable exception to federal taxes, such as qualified higher education expenses, or exceptions to the 10% tax penalty.

Reason for the Refund

No specific reason is required, but the reason is important if your Tuition Units do not meet the Three-year holding period. Please choose in Section II on page 1 the reason that you are requesting a refund. Please note that in many cases, you will need to attach documentation to support your request in order for it to be processed. Forms received without proper supporting documents will not be processed. If you do not have a specific reason, choose Voluntary Refund.

Please do not send originals because the plan will not return any documents to you. And, be sure to keep documents for tax purposes.

Amount of Refund Based on Number of Tuition Units Refunded

Please choose in Section III on page 2 the Number of Tuition Units to Be Refunded or specify a dollar amount that you want refunded and we will determine the resulting Number of Tuition Units to be refunded. If you request a refund of more Tuition Units than you have available, we will refund 100% of your available Tuition Units less any fees due to the plan. In no event will we refund more Tuition Units than you have available. Any refund request that would cause the account balance to fall below one Tuition Unit will be treated as a request to close and refund the entire account.

- Whether you receive Refund Value or Reduced Refund Value will depend on (1) whether the Three-Year Holding Period has been met and (2) if the Three-Year Holding Period has not been met, the reason you are requesting a refund.
- For Tuition Units that are mature (meet the Three-Year Holding Period), TTPF will pay the greater of the Refund Value or the Reduced Refund Value.
- For Tuition Units that are not yet mature (do not meet the Three-Year Holding Period), TTPF will pay the Reduced Refund Value, unless one of the exceptions described below applies.
- If one of the following exceptions applies, and you provide the required documentation, TTPF will pay the Refund Value, even if the Tuition Units have not yet matured (not met the Three-Year Holding Period):
 1. Beneficiary is deceased or disabled,
 2. Beneficiary receives a scholarship, or
 3. Beneficiary is admitted to U.S. Military Academy.
- **To check the status of your Tuition Units, including whether the Three-Year Holding Period has been met, log in to your account at www.texas tuition promise fund.com, and click on Benefits Information, or call 1.800.445.4723 (GRAD), option #5, Monday through Friday from 8am to 6pm Central Time.**
- See the Plan Description and Master Agreement for details on the calculation of refunds and the Three-Year Holding Period. The Agreement is available online at www.texas tuition promise fund.com/content/tips-tools/forms-materials.
- If the number of Tuition Units refunded includes both mature Tuition Units (have met the Three-Year Holding Period) and Tuition Units that are not yet mature (have not met the Three-Year Holding Period), TTPF will pay Refund Value for the mature Tuition Units and Reduced Refund Value for Tuition Units that have not met the Three-Year Holding Period (unless an exception above applies). Tuition Units are refunded based on the earliest purchase date with the oldest Tuition Units refunded first.
